Dear Officer,

Please see attached application, title, site plan, floor plan & folio plan.

We are planning to put our currently place to the short stay accommodation (Airbnb) due to my son will go to university in mainland in Feb 2026, and we may temporary to the location near the university to company with him in a period. This may happen in later March or early of April 2026 depends when we could rent the place in mainland.

We plan use our house to airbnb for the flexible arrangement and just in case we may need to goes back to TAS to live sometime in the future.

This is our main residency place and we do not have any other property in Australia.

I do not believe we will put any signage or any other change for my property due to my place is easy to find.

Thanks.

If you have any further queries about this application, please do not
