- After/Before School Care (permanent bookings) absences must be reported to the Clarence Children's Services Office by the cut-off times mentioned above to be charged an absent fee. If notification is received after the cut-off or no communication is received for an absence, then the Non-Cancellation fee will be charged.
- Absences for casual/roster bookings must be reported to the Clarence Children's Services Office by the cut-off times mentioned above to be charged an absent fee. If notification is received after the cut-off or no communication is received for an absence, then the Non-Cancellation fee will be charged. Casual/roster absent fees will be removed if the service receives more than 14 days notice of an absence.
- Holiday Care absences will be charged at the full session fee if less than 7 days notification is given. Holiday Care absence fees will be applied when more than 7 days notice is given, or if a medical certificate is provided. Holiday Care fees will be removed if the service receives more than 14 days notice of an absence.
- All absences must be notified via the OWNA app, or to 03 6217 9610 or oshc@ccc.tas.gov.au, not the direct mobile numbers at the OSHC locations.
- Requests to temporarily cancel any permanent bookings must be made in writing to oshc@ccc.tas.gov.au and decisions are at the discretion of the Program Manager.
- Payment terms are strictly 7 days from date of invoice. Late payment of your account will attract an additional fee. The Program Manager reserves the right to cancel care arrangements and forward the account to Tasmanian Collection Service if the account is over 30 days overdue and a payment plan is not in place.
- Accounts with outstanding balances or active payment plans cannot make casual OSHC or Holiday Care bookings until fully paid.
- For families eligible for Child Care Subsidy:
 - Your out-of-pocket cost is determined by your eligibility for Child Care Subsidy (CCS)
 - Families experiencing financial hardship may be eligible for Additional Child Care Subsidy (ACCS) which covers 100% of the cost of care. Applications can be made through your MyGov account.
 - Please ensure any changes to your income and/or work activity details are updated through your MyGov account.
 - Each child is entitled to up to 42 allowable absence days per financial year. The number of absence days used is listed on each invoice. If you are nearing your limit, please contact us to discuss your options, as you may be eligible for additional absence days under certain circumstances.
